

Interview Participant Recruitment Form

The Community Data Science Collective (a research group based at the University of Washington's Department of Communication) is seeking individuals to participate in a research study about how people learn to work with data in online self-research forums. This research is being led by Regina Cheng and Dr. Benjamin Mako Hill at the University of Washington.

More information on our research group and projects is available on our website:

<https://wiki.communitydata.science/>

* Required

1. Are you an adult (over the age of majority in your locale)? *

Mark only one oval.

☐ Yes

☐ No
