Participant Recruitment Form

A research group based at the University of Washington's "Community Data Science Collective" is seeking individuals involved with online communities on Reddit to participate in a research study. The overall purpose of this study is to examine and understand how different communities about similar topics or with overlapping memberships are related.

For more information on our research group, please visit our website: https://wiki.communitydata.science/

For more information on the broader project that this interview study is a part of, please visit this website: https://wiki.communitydata.science/Ecology_of_Online_Communities
